P.C.

. The petitioner approached this Court against the Departmental enquiry which is proposed against him. It is contended that the enquiry is sought to be initiated after a lapse of nearly 20 years. The contention of respondent is that the petitioner got admission by producing certificate of non-recognised institution. Considering the above, we do not propose to interfere at this stage. It will be open to the petitioner to produce all necessary evidence before the Enquiry Officer. With the above observation petition stands disposed of.
